

# INTERIOR DESIGNER

with 6-8 years of experience

---

Interior design is integral to the design process at HBT Architects. Our project designers face a variety of design opportunities on a daily basis. From finding harmonious and code compliant solutions in a space plan, designing a beautiful and functional piece of casework within a budget, or coordinating details during construction, you will be given opportunities to bring meaningful design to life.

For more about our firm and our work, visit [www.hbtarchitects.com](http://www.hbtarchitects.com). To have a conversation about joining HBT Architects, contact us by email at [careers@hbtarchitects.com](mailto:careers@hbtarchitects.com) to meet with us. We would love to sit down and discuss your career opportunities and goals.
